# HIRE OR HOST A YOUNG PERSON

## HIRING OUR YOUTH

Larkin Street Academy provides multiple lines of training and workforce development for the young people in our services. Young people completing our programs earn certifications and credentials including:

- Customer Service Certificate course from the NRF
- Hospitality Certification from AHA
- Security Guard licensing with the BSIS and CALSAGA
- Health Care education and CPR/First Aid training
- IT training and CISCO certification
- Food Handler Safety instruction from ServSafe

## HOSTING YOUTH INTERNS

Interested in offering a learning experience to a young person? We provide direct support for our youth while they pursue internships, including:

- Dedicated employment counseling for the youth while they are interning
- Host site support for intern employment issues from counselors and management at Larkin Street Academy
- On-site visits to support interns in their work
- In some circumstances, subsidized wages to provide a cost benefit to employers during the internship
